Mesa, Arizona 85274

9 Jan 2017

Flagg Mineral Foundation,

The Arizona Prospecting Association wishes to thank the Flagg Mineral Foundation for hosting our gold panning for children at the Mesa Gem & Mineral Show. We estimate that over 350 children enjoyed gold panning (for chrysocolla and iron pyrite) during the three-day event. Our group feels the need to encourage children to discover the many wonders of our Arizona landscape including looking for minerals in the great outdoors.

Thanks again,

A handwritten signature in black ink, appearing to read 'C Roger Camplin', is written over a horizontal crease in the paper.
