FLAGG MINERAL FOUNDATION MEMBERSHIP APPLICATION

The Flagg Mineral Foundation was formed in 1962 as a memorial to Arthur L. Flagg. The purpose of this Foundation is to promote popular interest and education in the Earth Sciences, support the mining industry and the mineral, fossil and gem collecting hobbyists of the State of Arizona and to acquire, catalogue and display the Foundation's collections.

In our continuing efforts to Preserve, Educate and Collect, the Foundation hosts the annual FLAGG GEM & MINERAL SHOW. The three-day fundraising event allows field collectors, lapidary artists, and mineral dealers to show and sell some of their best material.

The Foundation also hosts the annual MINERALS OF ARIZONA SYMPOSIUM featuring speakers on the historical, scientific, and educational aspects of minerals and mining with an emphasis on Arizona.

Other membership benefits include:

- ❖ INVITATION TO FIELD TRIPS. Foundation/MSA and Coalition field trips.
- ❖ INVITATION & DISCOUNTS FOR FOUNDATION EVENTS. Receive discounts to events such as the Minerals of Arizona Symposium and various mineral sales held at events.
